

COURSE ANNOUNCEMENT

A NATIONAL FIRE ACADEMY COURSE

2004 Edition

"INCIDENT SAFETY OFFICER"

This course examines the Safety Officer's role at emergency response situations. A specific focus on operations within an incident command system as a safety officer is one of the main themes. The students will be able to identify and analyze safety concerns as they relate to all hazards scene evaluation and communicate recommended solutions to the Incident Commander. Presented will be Firefighter Injury and Fatality data, Principles of Risk Management, Safety Responsibilities, Current Issues and Operational Risk Management. Numerous student activities will allow the students to increase their skills as a potential Incident Safety Officer.

Course Date: *April 14 and 15*
